

Alert #007 – Delayed Migration of Outlook Public Folders

MS
365
ALERT

007- 09/20/2021

TITLE : DELAYED MIGRATION: Office 365 Outlook Public Folders

ALERT :

Outlook Public Folders are available. However, an issue was encountered over the weekend, delaying the migration of Outlook public folders. A new public folders migration date has not been identified at this time. Once a new migration date is determined, the Project Team will issue a new Alert.

Action Required: No action required at this time.
